Dental Clinic Cleaning Appointment Shortage

The Stuttgart Dental Clinic has recently experienced two unforeseen problems, resulting in the decrease in its availability of cleaning appointments. One hygienist, who recently had emergency surgery, will not be available until fall; another has a broken hand from a June 1 car accident and will be available in approximately four weeks. Only one hygienist remains to serve the entire Stuttgart community.

Despite the staff shortage, the clinic will continue to do exams and will determine if a waiting list is necessary. However, remember that its first obligation is to active-duty patients. Your patience and cooperation are greatly appreciated. Questions or concerns can be directed to Col. Cosnahan, 0711-680-8626.

Mandatory Pre-Separation Briefing

To help retiring service members, Department of the Army civilian employees and their family members with the transition into life outside the military, all separating soldiers must attend a briefing on military benefits and entitlements no later than 90 days prior to separation. Each two-day session also includes a workshop that covers such topics as resume writing, interviewing tips, networking and counseling.

The next local session scheduled is June 22 and 23, 8:30 to 4 p.m., building 3307, classroom 1 on Kelley Barracks.

Can't make it to the session in Stuttgart? You may also attend upcoming classes in Heidelberg. Sessions are June 15 to 16, 29 to 30, July 13 to 14, 27 to 28, Aug. 3 to 4 and 17 to 18 at the

Heidelberg Shopping Center, building 3850, room 278A. Separation orders or personnel action approval are not mandatory. To schedule or for more information call 06221-57-7505.

Officer Candidate School

All soldiers who have completed an application for Officer Candidate School must attend a Structured Officer Candidate School Interview Board July 30, 1:30 p.m. in the 6th ASG CSM conference room.

Those who wish to submit an application for the following session set for September must forward it to DA PERSCOM by Aug. 20. For details contact Staff Sgt. Mimms, 0711-729-2153.

Prepare for Summer Moving Season

The summer moving season is now upon us, which means local agents must work long hours to get those who are PCSing all packed up. At the moving member's discretion and request, the moving company will often agree to work until the job is finished rather than come back the next day. This could mean the packers work late into the evening, perhaps extending into established quiet hours. Be courteous and patient with your neighbors during this crunch so all tasks can be completed according to schedule. Concerns? Call Tom Bonvechio, 0711-729-2452.

Fourth Quarter Fire Warden Training

Beginning July 1, 6th Area Support Group Fire and Emergency Services will continue Building
